WHY?

BAYMEADOWS COMMUNITY IMPROVEMENT DISTRICT

**PROPOSED INITIATIVE TO FIX AND
ENHANCE THE NEIGHBORHOOD OF THE
OLD BAYMEADOWS GOLF COURSE**

District 11, City Council Member Danny Becton will present on behalf of the Baymeadows Community Council "BCC" information pertaining to the creation of the Baymeadows Community Improvement District.

While so many new and exciting investments are taking place around us, such as Baymeadows Park, The Lofts, and the new neighborhoods of Meadow Walk and Bay Point, what is left continues to age and decline, yet full of great opportunities and hope.

Come learn **"What Is The Solution"** and how you can be part of transforming the Baymeadows area back to its prime, where everyone knew it as "the place to live!"
